We all find our own haven of happiness at some point - our place for expression, love, gratitude and a sense of belonging. We find awe in the big things that shape our skylines, and beauty in the little things that share our growing world with us. We live and breathe for every moment on our mother continent. We're for the places we call home, where we live our dreams. We're for the people that we meet. We're for the towns and the cities. We're for Africa - in and out of home. We're not just a billboard company. We're a public service partner.

Karibu!

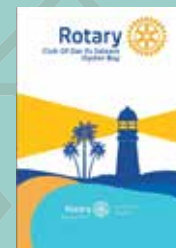

Welcome to the Arabian Dream Goat Races! This year marks the second chapter of the Rotary Goat Races.

For those who are new to the Goat Races, here's a bit of history. The Dar es Salaam Charity Goat Races was introduced in Tanzania in 2001. It is one of the most unique and popular charity events in the city, annually attracting more than 4,000 people. In 2018, the Rotary Club of Dar es Salaam Oysterbay picked up the mantle from the former Organizing Committee as the event organiser to continue the tradition. A heartfelt thanks to all that helped make last year such a success!

This year, we have organised what we hope will be another fun day out connecting family, friends, sponsors, vendors, volunteers and goats! All for a good cause: raising funds for projects aimed at enriching, enhancing and promoting our local communities. With your support this year, we shall be able to touch even more lives from the funds raised at the event which will be used for a variety of community-based initiatives. Please visit the Rotary Club of Dar Es Salaam Oysterbay website for more details of the initiatives including how you can volunteer for these initiatives (www.rotarydar.org).

Thank you for joining us for the 2019 Goat Races.

It's going to be Meeehgical!

The Rotary Club of Dar es Salaam Oyster Bay is lovingly known by its members and many friends as JOysterbay. Founded in 2009, it is Tanzania's largest Rotary Club and since its very beginnings, has exemplified Rotary International's motto of 'Service above Self'. JOysterbay is also known by being a cheerleader for uniting hard work in service with a healthy dose of fun and camaraderie.

The Rotary Club of Dar es Salaam Oyster Bay focuses on community-based projects that are organized and carried out by its member volunteers. These projects are designed around issues of provision of facilities and education on hygiene and sanitation, peace and conflict resolution, disease prevention and treatment, water and sanitation, maternal and child health, basic education and literacy as well as economic and community development.

Part of the Rotary Club of Dar es Salaam Oyster Bay's vision is to change as many lives as possible. The Goat Races are playing a vital role in our vision and we hope many of you join us on our journey.

..with the support of board members of the Rotary Club of Dar es Salaam Oysterbay.

TOGETHER, WE

CONNECT

Rotary unites problem solvers around the globe behind one goal: to do more good. Our members are driven to bring communities together to create lasting change. Connecting to make things better — that's what people of action do. [Learn more at Rotary.org.](https://www.rotary.org)

Projects of the Rotary Club of Dar es Salaam Oysterbay

Proceeds from the Goat Races will be used for projects of the Rotary Club of Dar es Salaam Oysterbay which will focus on Rotary's six focus areas.

We are pleased to share with you some projects from last year:

Disease prevention and treatment through Medical Camps

- Oysterbay Club gave free medical Check-ups and screening for more than 1500 children last year. Medical camps were held at Makumbusho Primary school and Msasani Primary School.
- Retinoblastoma Project. Purchase of medical equipment for early detection of cancer in children. This equipment was handed over to Muhimbili National Hospital last year.

Maternal and Child Health

In collaboration with the Rotary Community Club (RCC) in Goba, we are working together to establish a birthing centre to help pregnant mothers have a safe delivery place.

Water Sanitation and Hygiene

- At Msasani Primary School Oysterbay, we provided a water purification system and through a global grant from The Rotary Foundation Oysterbay were able to upgrade and build new toilet blocks and provide the students with two school libraries.
- During the Medical Camps, Menstrual Hygiene Management education is given through collaboration with Rotaractors and Reusable Sanitary pads were distributed to girls for free after the session.

Basic Education and Literacy-Scholarship Programme

This year, scholarships were provided to a total of 50 students to continue with their Bachelor degree programmes in different Tanzanian Universities in the fields of medicine, nursing, pharmacy, accountancy, water irrigation and law. Visit our website for information on sponsorship opportunities (<https://rotarydar.org/sitepage/scholarships>).

Community Economic Development

Through the Vijana Poa Initiative, we provide the youth with directional employable skills to empower employment seekers and entrepreneurs alike with the ability to create, innovate and professionalize for sustainability.

This year about 30 youth have been the beneficiaries of this initiative.

Peace building and Conflict Prevention 2019 Theme "Climate for Action"

- Environment protection through waste management training in schools.
 - Participation in the world cleanliness Day.
 - Support the implementation of a system in schools in which they can coordinate waste separation and recycling.

Providing the power to get ahead

Your business needs reliable power to go the whole distance, whatever industry you are in. That's why we're here, to partner you on the journey, with anything from a few kVA to multi megawatts.

Together we can create a winning partnership.

Where The Fun Never Ends!

Your goat is my command... bet on that goat!

Why bet?

Bet on that goat... It's a win - win

If the goat you bet on wins, you will win some money. If the goat loses, your money will be used for projects in Tanzania. So no one really loses – except maybe the goat.

How to bet: Each race you can bet on one, or more goats. The betting opens fifteen minutes before each race, and you can go to the Palm Beach & Le Grand Casino stand and place your bet before the race starts.

Races

The timing and names of all races and goats can be found in this booklet. Start looking for your favorite goat now!

Judging

All races have a race owner representative who serves as a judge. The winning goat will be announced immediately after the race.

Goat Vet

Dr. S.Y. Sinare of Vetcare regularly checks the condition and welfare of the most important participants, the goats.

Jockeys

A big thank you to our jockeys, who work tirelessly to ensure the goats go round the track safely and at an incredible pace.

Thank you,,,

Goat owners, sponsors and a few more super goaties gather in the VIP area. It is an area where we thank our sponsors for making this event possible. A big thank you to SBL, Freixenet and Coca Cola for making sure our VIP guests will not get thirsty this year.

Special thanks to...

The Rotary Goat Races would not be possible without all our generous sponsors:

Aggreko, Almar Containers, Amici Designs, Coastal, Coca Cola, East Africa TV/Radio, Grande Restaurant, JC Deceaux, Karafuu 305, Le Grand Casino, Merrywater, Montessori, Ocean Spa, Platinum Salon, PM Group, Red 'n White, Resolution Insurance, Sanitisha, SBL, Seacliff Hotel, Selcom Paytech, Slipway Hotel, Spik Span, Splendid Cleaners, The Tanzanite Dream, Toyota, WS Insight, Vayle Springs, Vet Care, and Zen Beauty Spa.

A big shout out to all our volunteers for making this day happen. Karen Stanley, Fred Laiser, Evans Bukuku, we really appreciate your help and input.

Thank you to Kinondoni Municipal Council for help regarding permits and hire of the grounds. We would like to thank Mr. Harrison Lukosi, Chairman of the Local Government

Authority, Oysterbay for his advice and support.

And last but not least, a big thanks for all the goats for participating to help us raise funds for local communities in Tanzania.
